*There are places I'll remember all my life
though some have changed;
All these places had their moments,
with lovers and friends I can still recall
In my life, I have loved them all.*

*I get by with a little help from my friends,
I'm gonna try with a little help from my friends,
Yes, I get by with a little help from my friends.*

*But now it's just another show,
you leave them laughing when
you go.*

*When the day has come to the end, I will
understand,*

What I left behind, part of me,

*I've been searching so long, to find an an-
swer.*

Do you know where you're going to?

Do you like the things that life is showing you?

Once we were standing still in time.

Chasing the fantasies that fill our minds.

Where are you going to?

Do you know?

The weather is here I wish you were beautiful

The skies are too clear lifes easy today

I need time for to play

Time for to play.

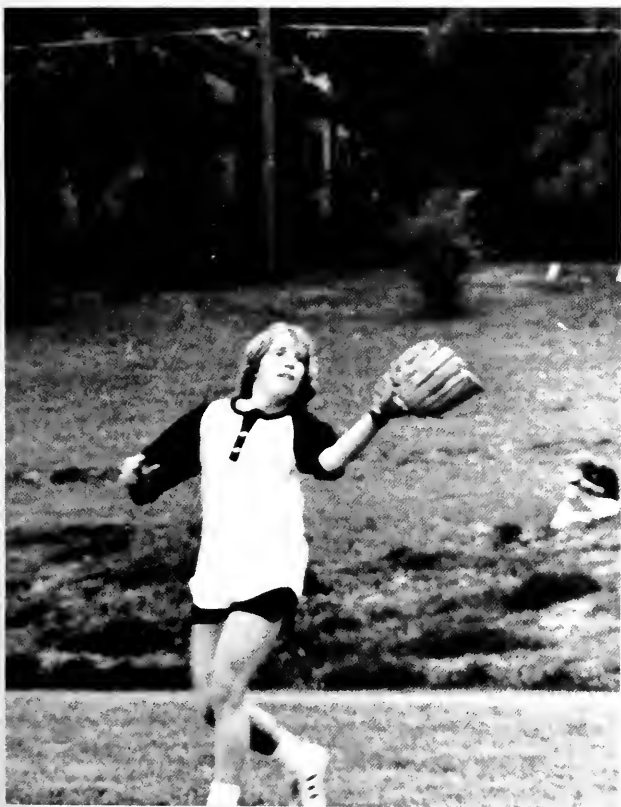

And where do you go

when you get to the end of your dreams?

President Harmon and Kenny Holloway compete for the business department in the three-legged race.

ELIZABETHAN FAIRE

Queen Peggy Holliday regally rides to her coronation.

Eric Glatzer voraciously participated in the King Henry VIII pancake eating contest.

Camille Clement and Linda Schray roll to the starting line for the wheelbarrow race.

Ladies-in-waiting Beth Wilson and Lorissa Krolls give aid to the Queen as she is crowned by the Archbishop, Jay Cotton.

The next two pages are dedicated to the apathetic majority of Millsaps.

The next two pages are dedicated to the hope of next year being the start of a new consciousness of what Millsaps has to offer its students beyond the academic. And it is also dedicated to the hope that the students might realize what they, too, have to offer the Millsaps community.

We, the 1981 BOBASHELA staff, challenge you to become involved. With a rising football program, a new era of basketball, the good times with each other at baseball games, and an all new program of college soccer next year will prove to be a promising year for sports.

LET'S GET INVOLVED!

As Lance enters his 27th season directing The Millsaps Players, we may look forward to the continued excellence of the theatre department, and also to our further enjoyment.

LET'S GET INVOLVED!

In Bill's first year of directing The Singers we have seen a renewed excitement on the campus towards music. And, with

the revival of The Troubadors we have seen and heard sounds never before experienced by us.

LET'S GET INVOLVED!

Are we able to interact with one another? Is it possible for us to be more than an academic institution, more than a community, more of a whole? What about intramurals? Men, women, independents, and Greeks, we challenge each of you to participate on the field and on the sidelines, but for more than points. Let's do it for fun, and because we can do it together.

LET'S GET INVOLVED!

When the SAC provides us with entertainment and activities, we challenge you to take advantage of the opportunity to be with one another. And last, but certainly not least, when there's a Sig party, "Be there, Aloha!" After all, as was once said by a minister of the United Methodist Church, Byrd Hillman, Sr., "Don't let college get in the way of your education."

LET'S GET INVOLVED!

FOOTBALL

1980—UNDEFEATED—9-0

A Year To Remember

The undefeated 1980 Millsaps Majors football team was a great one. It was a team that was easy to work with and had a burning desire to win and with that attitude, it did so. It was a team that had two great football players at all twenty-two positions. This was a first at Millsaps in the seventeen years Coach Ranager and myself have coached here. It allowed us the luxury of alternating players at each position without the fear of hurting ourselves.

Millsaps College has been playing intercollegiate football for sixty-one years and the undefeated season was the first in the history of the school. As a coach, it was also my first although my teams have come within one point of having an undefeated season on three different occasions.

The Majors of 1980 were a record setting team in many respects. With approximately 220 Division III teams playing intercollegiate football, Millsaps led the entire nation in Scoring Defense by allowing opponents a total of 31 points for the entire season. The team finished second nationally in Rushing Offense with a 290.2 yard average per game; second in Scoring Offense with an average of 38.9 points average per game; second in Total Defense with an average of 137.2 yards per game by opponents; and second in Rushing Defense with 43.3 yards per game average. This is truly a remarkable achievement because very few teams even rank in one category in national statistics.

This team had a lot of PRIDE. It worked hard for what it achieved and I personally am proud to be a part of this great football team.

Senate commends Millsaps

JACKSON (Special) — The Mississippi Senate has passed a resolution commending the Millsaps College football team and coaches on their undefeated 1980 football season.

Senate concurrent resolution No. 516 congratulated the Majors for their achievement "which can only be attained by long hours of practice, dedication to the game and skillful, knowledgeable coaching."

In its nine-game schedule last season, the team held its 1980 opponents to only 31 points while the team itself amassed 350 points.

"Under the leadership of head coach Harper Davis and assistant coach Tommy Ranager, each member of the team displayed untiring enthusiasm and expert knowledge of the fundamentals and strategy of football and sense of true sportsmanship," the resolution states "The Millsaps majors have earned the respect and admiration of fans throughout this football enthusiastic state."

MEN'S BASKETBALL

The 1980-81 season was not a great success. Although the number of wins increased from the year before, the total remained miserably low. After the season ended, an announcement was made concerning a coaching change. It was believed that in order to bring the basketball program to the level of excellence associated with Millsaps Athletics a coaching change was necessary. The new coach has welcomed the challenge. Good Luck!!

Team Members are: (Kneeling) Jerry Martin, David Holcomb, Doug Hanegan, Brian Sims, Danny Farmer (standing) Tom Scott, Monte Rector, Tommy Murrey, Rick Poulter, Randy Hearon, Kerry Goss, John Thibodeaux, Michael Ford.

"I feel that with a new coach next year, we will be successful."
Tommy Murrey.

WOMEN'S BASKETBALL

The Lady Majors proved to be quite competitive this year. Although the record of 6-20 sounds like a bad season, one must realize many of the games were decided only in the closing moments. Under the leadership of Coach Mary Ann Edge, the Lady Majors have come from a group of girls interested in basketball to a cohesive team with a motto "together we can." Considering the team has existed for a mere 3 years, much progress has been made. A bright future is expected for the coming year.

Team Members are: (kneeling) Karen Graves, Karen Maxwell, Susan Ramage, Elizabeth Jordan, Fran Wilson, Janet Butler, Faye Smith, Lisa Mathis. (Standing) Kathy Clem—trainer, Wanda Smith, Shawn Perry, Hilda White, Daphne Montgomery, Stephanie Durow, Carol Weed, Carla Smith—manager, and Coach Mary Ann Edge.

"The Lady Majors have come a long way since our first team three years ago." —Carol Weed

SOFTBALL

The Millsaps softball team got off to a slow start this year but they are looking forward to next year. In their first year of existence the Majors played two doubleheaders against Belhaven. They were defeated in all their games, but if you consider that Millsaps practiced only twice compared to every day to Belhaven, then you realize the team made a pretty good showing.

BASEBALL

"The team ended their season April 21, with an overall won-loss record of 13-12, with an NCAA Division III record of 11 wins and 5 losses. Personnel for the team was young with Vern Palmisano being the only senior. Vern was a 4 year starter, playing second base and shortstop. His last two seasons he was elected as Best Defensive Player."

INTRAMURALS

More students participate in intramural sports than in any other single activity during the school year. Competing head to head against your classmates is a great way to rid yourself of those anxieties you have about that next exam (that always seems to be the morning after the big game). Some watch, some play, but everybody enjoys intramurals.
